

Support Centre Consultant: Irrigation (Agrinet Samrand)

The above vacancy exists within **Agrinet Admin** at **Samrand**

Job Grade: | P9 Reference: | Closing Date: **10 April 2022**

INTRODUCTION

Agrinet is a supplier of agriculture and industrial requisites to the retail sector and industrial end users in Southern Africa. Agrinet's direct involvement with more than 500 agricultural retail outlets in South Africa, established the company as the largest supplier of irrigation and general agricultural requisites in the market segment.

WHAT YOU'LL NEED

At least 3 years relevant sales experience

National Senior Certificate

SABI Qualification on Irrigation courses will be an advantage

WHAT YOU'LL BE DOING

- * To provide a first-tier telephonic service that assists customers with enquiries and orders, which includes support queries of retail related and technical products.
 - * To maintain the current client base and assist customers in a friendly and professional manner.
 - * To generate sales, to take ownership of each call, manage each request correctly and communicate in an efficient way to ensure complete customer satisfaction.
- We are committed to transformation through the appointment of persons from designated groups and potential candidates from these groups will enjoy preference.
 - Kindly note that a consumer credit record will be requested in respect of all appointments which involve dealing with cash or finances.
 - Should you meet the above requirements and be of the opinion that you can make a contribution to the company, kindly register and apply on our Career Page at www.groupcareers.co.za
 - Should we not have contacted you within six weeks of the closing date, you may assume that your application has been unsuccessful
