

**March 12, 2024**

**Irrigation Technician**

**Robertson, Western Cape**

BreëRivier Irrigation is expanding again and offers another golden opportunity for an energetic person to become part of a progressive and dynamic agricultural irrigation business as an Irrigation Technician. The person will work with a team of experts and will be responsible for GPS surveys and stake outs, as well as the installation and repair of irrigation automation systems. The successful candidate will also consistently provide excellent customer service and maintain effective internal and external communication at all times.

**Job and skill requirements:**

- Matric is a minimum requirement
- A relevant Electrical qualification or similar will be highly beneficial
- A valid driver's license (Code B) is essential
- Preference will be given to a candidate with experience and/or knowledge of installation and/or repair of Irrigation Automation systems
- Knowledge and experience in the correct use of a multi-meter is essential
- Electrical installation and repair experience would be beneficial (mainly 24V AC/DC)
- Experience in a telemetry environment would be highly beneficial
- Experience of GPS surveying and mapping on Model Maker will count in your favour
- Comprehensive written and verbal communication skills in English and Afrikaans

**Person requirements:**

- Willingness to learn continuously and be adaptable in a dynamic environment
- Excellent problem tracing/identification and -resolution skills
- Ability to organize self and work in an efficient manner
- Ability to pay attention to detail and maintain high levels of accuracy, whilst consistently meeting deadlines
- Willingness to work longer than normal office hours (after hours and weekends)
- Willingness to work in the field and be exposed to weather elements
- Ability to perform physical tasks
- Commitment to excellence and self-motivation is a requirement
- Ability to function effectively in a team context

**In exchange for the above, Breerivier Irrigation offers competitive compensation packages and excellent career opportunities.**

**Applications:** If you meet the above requirements and want to create a bright future for yourself, please send a detailed CV, recent references and a copy of your ID to [rj@breebesp.co.za](mailto:rj@breebesp.co.za)

**Closing date:** 28 April 2024

**Start date:** Will be discussed with the successful candidate

*If you do not receive any correspondence by 10 May 2024, please consider your application as unsuccessful.*
