## Fitters/Installers – Pumping, Irrigation, Plumbing Systems

### *Willing to train if no experience*

- Field-based role
- Established privately owned organisation
- Career development and progression opportunities

### About the company

We are an established pump, irrigation, sales and service business and a group that has developed a solid client base across the industrial, agricultural farming and municipal sectors. We provide exceptional maintenance, repair, design and installation services and are a respected local business that provide a family orientated work lifestyle.

### Benefits

- Generous hourly rate + superannuation
- On the job and Industry recognised training
- Potential career development with additional financial and vehicle benefits
- Potential relocation support available
- Country lifestyle

### About the role

As an installer you will work alongside senior staff during the installation of irrigation systems, such as centre pivots, traveling irrigators, bore and submersible pumps and valving systems. In addition, you could be involved with assisting trades staff in the servicing, troubleshooting and rebuilding of water related pumping and irrigation systems. You will be required to work both on local sites and at times away from home for short periods of time.

### Duties

- Assist and support senior installers, mechanical and electrical trades staff
- Operate machinery to dig trenches and lay pipe work
- Position and assist in the installation of pump and irrigation structures
- Work on local and regional projects as required

**Broadacre Irrigation Pty Ltd**

## Skills

- Have a savvy and mechanical mindset
- Be results and outcomes focused
- A MR truck or machinery licences would be an advantage, but not necessary as training will be provided
- Have good verbal and written communication skills
- Be able to travel when required for work

## Culture of the branch

We have a collaborative attitude of, get in and get things done in a safe and effective way and encourage open and honest communication. In addition, as a locally owned business we also understand that at times there are personal family events and provide the flexibility for these.

## How to apply

If you have the skills and want further information on this opportunity, please apply below with a current resume. All applicants will receive a reply by either phone +61457456628 or email [amurray@broadacreirrigation.com.au](mailto:amurray@broadacreirrigation.com.au).

***We will offer visa sponsorship to the right candidate.***
